

Alexandria Gazette.

FRIDAY EVENING, JUNE 30, 1882.

LOCAL MATTERS.

WEATHER PROBABILITIES, June 30, 1882.
For the Middle Atlantic States, slightly warmer partly cloudy weather and local rains, wind shifting to south and west, with lower barometer.

PUBLIC SCHOOL EXERCISES.—Superintendent Carne, assisted by Thomas Leadbeater, esq., of the committee, and the Chairman of the Board and Vice-Principal Beach, of Washington School, examined all the divisions of (Hallowell) School, for colored girls, and the 3d and 4th divisions of Custer School, yesterday.

At 6:30, Mayor Beckham presented the cards of honor, &c., preface the distribution with a few highly appropriate remarks, in which he expressed his gratification at the fine appearance of the school, and the comparison might stand in other matters, they certainly excelled the boys in singing.

Sallie Chew received the Superintendent's medal and Florence R. Lane and Ella Evans were presented with medals by the teachers of Nos. 2 and 3 respectively.

Superintendent Carne then took leave of the school, expressing his regret at parting with the children and teachers. He cordially thanked the latter and the male colored teachers for their elegant present, which, as he could no longer hurt or help them, he felt now at liberty to receive, but he thanked them still more for their expression of confidence and affection. He was not covetous of money; if he had been, he would be richer now than he ever expected to be, but he was covetous of the love of those around him and of the confidence and respect of his fellow citizens. He recalled the night of the 1st of January, 1871, when, at the 1st Colored Baptist Church, the public schools had been inaugurated. Four teachers then stood by him; of these two slept in the grave and one had sought another field of labor; one alone, through trials and discouragements, in good report and in evil report, had stood by him, till what was then an experiment had developed into a complete success.

Elegant baskets of flowers, horseshoes, &c., were then presented to him by the girls, one for each of the divisions, and a number of handsome bouquets were presented to the Mayor. Fine singing enlivened the exercises.

RACE BALL.—The match game of base ball between the Treasury Department nine, of Washington, and the first nine of the Alexandria Base Ball Association, on the grounds of the latter, in this city, yesterday afternoon, was witnessed by a large crowd of spectators. The game was one of the most interesting ever played in Alexandria, and resulted in a victory for the Washington nine by the following score: Treasury Department nine 15, Association nine 10. During the game Frank Lambert, of the Association nine, while running from the first to the second base, fell and injured himself. It was supposed, badly. He was assisted off the field, and afterwards conveyed, in a carriage, to his home, where he received medical assistance. It was ascertained that only the muscles of his limb were sprained, and this morning he is doing well. After the game the visitors were banqueted at the restaurant of Mr. L. Kammell, and they returned home on the 22d train, much pleased with the hospitality of the Alexandria Base Ball Association.

A FIGHT ABOUT THE DOG LAW.—Police officers James Smith and Thos. Hayes got into a dispute about the "dog law" this morning, which resulted in the passage of some ugly words and a few blows. The case was before the Mayor at eleven o'clock, when it appeared that the fight originated by officer Smith contending that the "dog law" did not require him to report to the Mayor, and have fined for his (Smith's) benefit, owners who had neglected by some oversight to take out licenses for their dogs, but that it allowed him the privilege of notifying the said owners that they must take out licenses, a privilege he had availed himself of in every case coming under his notice. This construction of the law officer Hayes disputed, and applied an ugly epithet to officer Smith. Officer Smith replied "you are a liar" and both men clinched and were parted. The Mayor suspended officer Hayes for 30 days and officer Smith for 15.

DIED FROM HIS INJURIES.—The young man Nagel, of Manassas, who was struck by a train on the Virginia Midland Railway near Lynchburg a few nights ago, died from his injuries this morning. Nagel was a stone mason in the employ of the Virginia Midland Railway Co., under Mr. Breen, of this city. He and his fellow workmen retired on the night of the accident as usual, and nothing was known of him until he was found lying on the track badly injured. It is supposed he left his quarters in the car while asleep, and in that condition was struck by the train while sitting on the track. Others think he left the sleeping car to get some fresh air.

FAIRFAX WHITE OATS.—Mr. W. H. Lewis, of Lincolnia, Fairfax county, Va., sent to this office this morning some fine specimens of the common variety of white oats raised on his place, accompanied by the following note:

To the editor of the Alexandria Gazette:
I herewith send you a specimen of the common variety of white oats grown by me and challenge competition. Any one wishing to compare can send specimens to your office with the understanding that the unsuccessful competitors are to banquet the successful one at some convenient time and place in Alexandria.
W. H. LEWIS.
Lincolnia, Fairfax Co., Va.

HANDSOME PRESENTS.—Supt. Carne, on returning from the examinations yesterday, found on his table, a large silver plate, a porcelain lined, water pitcher beautifully embossed with flowers, &c., and bearing upon its front the following inscription: "R. L. Carne, from the Colored Public School Teachers, 1882."

POLICE REPORT.—The Mayor had before him this morning, besides the police officers named elsewhere, Frank Johnson, Howard Bryant and Scott Dixon, all colored, charged with drunkenness and fighting; Beverly Kennedy, charged with creating a nuisance, and several owners of unlicensed dogs. Johnson and Bryant were fined \$5 each; Dixon and Kennedy were discharged, and the dog owners were required to take out licenses. A warrant was issued for the arrest of George Thompson, colored, for disorderly conduct.

Persons recovering from wasting diseases such as malaria, fevers, etc., will be greatly benefited by the use of Brown's Iron Bitters, a true tonic.

The Richmond Bank Failure.

The failure of the Bank of Commerce of Richmond was announced in yesterday's GAZETTE. The bank owes about \$10,000, and it is believed that it will certainly pay fifty per cent, if not seventy-five per cent, on the dollar.

The bank was gotten up by the friends of the late firm of Isaacs, Taylor & Williams, after they failed in 1873, and was intended to succeed to their business in all its branches, and hence by its charter was authorized to deal in bonds, stocks, coin and sterling. The capital stock was \$50,000, of which \$42,100 was owned by Messrs. Taylor and Williams; paid up capital, \$20,000. The business of the bank was fairly successful, and paid dividends regularly up to last January. The cause of the failure of the bank is said to be due to its having been a large holder of stocks in New York in July, 1881, the time of the assassination of President Garfield, and the panic which followed that event, caused a heavy depression in the value of the stocks, which was augmented by the failure of crops and the French panic. The bank was finally compelled in the last few months to sell these stocks at a ruinous sacrifice. Messrs. Taylor and Williams held on, hoping that they could sell them real estate and make other arrangements that would enable them to pay up in full and wind up the affairs of the bank, but being unsuccessful, and the business of the bank not paying its current expenses, it had to suspend. The failure will not embarrass any business house in Richmond city.

WIND AND HAIL STORM.—A severe and destructive wind and hail storm struck this county in the neighborhood of Chancellorsville Wednesday evening about one o'clock and ranged down the ridge dividing the waters of the rivers Ny and Rappahannock, utterly destroying crops and gardens, houses and fencing. The greatest sufferers were the holders of yet are Messrs. Oliver Eastburn, Rhodes, Willie Howser, and Benj. L. Levell. The growing crops of these gentlemen were literally beaten into the ground and destroyed and their gardens were stripped of every vegetable. Their wheat crops, where they were not cut and stacked, were blown down and greatly damaged. All the shade trees, and many of the forest trees, were blown or twisted off above the ground. Sixty-two panes of glass were broken out of Mr. Leavelle's residence and some of his outhouses were damaged. Mr. Rhodes and his outlying fencing blown down and the roof of his dwelling was riddled. Mr. Howser's large barn was blown down and demolished and the roof of his residence was entirely destroyed by the hail stones. Many of the stones are said to have been as large as hen's eggs and solid as hard-frozen ice. The storm went down the Mattaponi river, doing considerable damage to crops and fencing.

DIED.
This morning JEANNETTE, only daughter of J. F. and S. V. Carlin, aged nine months and twenty-seven days. Funeral to-morrow evening, six o'clock, from the residence of her grand father Capt. Thomas Ridd.

ATTENTION A. L. L.—The annual meeting of the Alexandria Light Infantry will be held at the Academy, Monday, July 2d, at 3 p.m. Full attendance requested. Business of importance. By order of Executive Committee.

VIRGINIA. In the Clerk's office of the Corporation Court of the city of Alexandria, on the 29th day of June, 1882.

John H. Luman, a creditor, secured with others by a certain deed of trust, and George A. Mushlach and Koscisko-Kemper, trustees, complainants, against Peter Wise, trustee, Warwick P. Miller, trustee, John Kehoe, trustee, Alfred Lister and Edwin Lister, constituting the firm of Lister Bros., Benjamin J. Burgess, Wm. K. Downing, B. J. Burgess and W. K. Downing, of the alleged firm of B. J. Burgess & Co., defendants. In chancery.

Memo. The object of this suit is to enjoin and restrain Warwick P. Miller, trustee, and Peter Wise, trustee, their employees and agents and all other persons from making sale on July 1, 1882, as advertised in the Alexandria Gazette, of the lot of ground and warehouses with dock and wharf property attached, lately belonging to Benjamin J. Burgess, and situate on the east side of Union, between Prince and Duke streets, under a deed of trust from Burgess to Wise, dated April 15, 1881, to secure \$2,400.00 to Warwick P. Miller, trustee, and to marshal the fees on said property and ascertain their priorities; and to obtain a decree setting aside as fraudulent, null and void, a certain deed of trust on a portion of said property and other property, dated March 4, 1882, from B. J. Burgess and W. K. Downing, obliging themselves to be partners, trading as B. J. Burgess & Co., to John Kehoe, trustee, to secure the payment of \$9,558.08 to Alfred Lister and Edwin Lister, partners, doing business in New York City, under the firm name of Lister Bros., which deed is evidenced by the three notes of Burgess & Co. to Lister Bros., viz: one of January 1, 1882, for \$2,200.00, at 60 days, with interest; one of December 22, 1881, for \$3,663.50, at four months, with interest, and the other of December 22, 1881, for \$3,695.50, at eight months, with interest.

The defendants, Warwick P. Miller, John Kehoe and Alfred Lister and Edwin Lister, comprising the firm of Lister Bros., not having entered their appearance and given security, according to the act of Assembly and the rules of the court, appearing by an affidavit that they are not residents of this State, it is ordered that the said defendants appear here within one month after due publication of this order, and do what is necessary to protect their interest in this suit; and that a copy of this order be forthwith inserted in the Alexandria Gazette, a newspaper published in the city of Alexandria, once a week for four successive weeks, and posted at the front door of the Court House of this city.
